Avancé Cure Incontinence Fast Healing Cream

More than just a barrier

- Helps heal raw, irritated skin PLUS hard-to-heal rashes and sores.
- Helps protect against wetness, chafing and skin breakdown.
- Contains 2 clinically-proven skin protectants against wetness.
- Non-Greasy, Fragrance Free, Paraben Free.

This medical strength cream helps provide wetness protection and fast healing for raw, irritated skin from adult incontinence. It helps protect against wetness and chafing. Daily use helps to prevent problems from occurring. Unlike traditional sticky incontinence creams, this cream is non-greasy and allows for easy clean-up. It does not leave a greasy residue but still provides the necessary wetness protection.
