*Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.*

-----

### **Antiac Acne Clearing Spray**

#### **Active ingredient**

Salicylic Acid 0.5%

#### **Purpose**

Acne Treatment

#### **Uses**

- For the treatment of acne
- Helps clear acne blemishes, acne pimples, blackheads, and whiteheads

#### **Warnings**

For external use only

#### **When using this product**

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- Not to be used for children under three years of age

#### **Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

#### **Directions**

- Shake well before use
- Spray directly onto affected area
- Soak a cotton pad and thoroughly wipe affected area
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

#### **Inactive ingredients**

Purified Water (Aqua), Alcohol Denat, Glycerin (Vegetable), Sunflower (Helianthus Annuus) Seed Oil, Glyceryl Cocoate, Hydrogenated Coconut Oil, Safflower (Carthamus Tinctorius) Seed Oil, Isononyl Isononanoate, Sodium Cetearyl Sulfate, Cetearyl Glucoside, Cetearyl Alcohol, Grape (Vitis Vinifera) Seed Oil, Phenoxyethanol, Ethylhexylglycerin, Salicylic Acid, CI 75130, Sea Buckthorn
