CLIXIT® ACNE DRYING LOTION

DRUG FACTS

Active Ingredient

Sulfur 10%

Purpose

Acne Treatment

Use:

For treatment of acne. Healing and drying of acne. Penetrates pores to control acne. Helps prevent breakouts.

Warnings:

For external use only.

Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time. Stop use and ask a doctor if skin irritation occurs or gets worse. Rinse right away with water if product gets in eyes.

Keep out of reach of children.

If swallowed, get medical help or call a Poison Control Center right away.

Directions:

DO NOT SHAKE BOTTLE.

Clean the skin thoroughly before using at night. Apply only to areas with acne. Allow solution to dry and rinse off in the morning.

Do not use on broken skin or large areas of skin. If bothersome dryness or peeling occurs, reduce application to every other day.

Inactive Ingredients:

Allantoin, Aqua (Deionized Water), Camphor, Ethylhexylglycerin, Iron Oxide, Isopropyl

Alcohol, Magnesium Aluminium Silicate, Phenoxyethanol, Salicylic Acid, Zinc Oxide.
