Combat

Ingredients

E124, E133, Ethanol, Organic Acids (Acetic and Benzoic), Polyvinylpyrrolidone, Tea tree Oil, Triacetin, Water

Danger: Flammable liquid and vapour. Harmful if swallowed. Keep away from heat/ sparks/open flames/hotsurfaces — No smoking. Do not breathe dust / fume / gas / mist / vapours / spray. Wear protective gloves/ protective clothing/eye protection/face protection. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do, continue rinsing. If symptoms persist, immediately call a POISON CENTER or doctor/physician. In case of fire: Use water, carbon dioxide (CO₂), foam, dry powder for extinction. Store in a well-ventilated place. Keep cool. Keep out of reach of children.

For animal use only.

Tea tree oil is a natural antibacterial and antifungal essential oil. When contained in Combat, it forms a flexible, breathable film which seals out water, dirt and bacteria. For use on cattle, sheep and goats.

Wound: For skin lesions, cuts, scrapes and for minor surgical and processing interventions such as castration, ear notching and umbilical cord. Clean and dry area thoroughly before use. Shake container well and apply liberally. Allow 1-2 minutes for Combat film to form. Repeat daily as necessary.

Hoof: Clean area thoroughly, pare hoof if necessary. Shake container well and apply liberally. Allow 1-2 minutes for Combat film to form. Repeat daily as necessary for up to 1 week. If there is no improvement consult your veterinarian. Combat should be used as a part of a routine footcare programme. Use in conjunction with regular footbathing with Provita Hoofsure Endurance.
