Ancient civilizations used gold to solve skin problems with its powerful moisturizing and firming. As one of the softest metals, it is easily absorbed into the skin; giving it influences at a cellular level. Also, it helps reversal of oxidation damage to the collagen fibers, aiding the regeneration of healthy new cells, bringing natural luster and youthful radiance to all skin types.

Using fingertips or brush, gently apply a thin layer directly to the whole face (avoiding eye area),

ensuring good contact with the skin. Massage in upward circular motion to your face and relax for ~30-45

minutes, and then rinse thoroughly with water.

For external use only.

Stop use and ask a doctor if rash occurs.

Do not use on damaged or broken skin.

When using this product keep out of eyes. Rinse with water to remove.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.
