Paulas Choice CLEAR Anti-Redness Exfoliating Solution 2% Salicylic Acid, Regular Strength

Salicylic Acid

- Treats acne
- Helps clear acne blemishes, blackheads, and whiteheads
- Helps prevent new acne blemishes

After cleansing with Paula's Choice Clear Pore Normalizing Cleanser, soak a large cotton ball with Regular Strength Anti-Redness Exfoliating Solution and gently stroke over the face, paying special attention to acne and blackhead prone areas. Do not rinse. Avoid contact with eyes, eyelids, and mucous membranes. If contact occurs, rinse with water. If excessive dryness or peeling occurs, reduce application to once per day or once every other day.

If contact occurs, rinse with water. If excessive dryness or peeling occurs, reduce application to once per day or once every other day.

Warnings

For external use only.

Do not use

- **on broken skin**
- **on large areas of the body**

Stop use and ask a doctor if too much skin irritation or skin sensitivity develops or increases.

When using this product

- Do not use in or near the eyes
- Using other topical acne products at the same time or right after use of this product may increase dryness or irritation of the skin. If this occurs, only one drug should be used unless directed by a doctor.

Keep out of reach of children. If swallowed, get medical help and contact a Poison Control Center immediately.

- Store at 20-25°C (68-77°F).
- You may report serious adverse reactions to 1030 SW 34th Street, Suite A, Renton, WA 98057
