

PROTECTIF DEEP TINT- zinc oxide and titanium dioxide cream
Derma Research Group Inc.

Drug Facts

Active Ingredients:

Zinc Oxide 8.6%,

Titanium Dioxide 6.5%

Purpose: Sun Protectant

Uses: Broad spectrum (Sun Protection Factor 50 /SPF 50).

Warning: For external use only.

Do not use on damaged or broken skin.

When using this product, avoid contact with the eyes. If contact occurs, rinse thoroughly with water.

Discontinue use if rash or irritation develops or lasts. If irritation persists, consult a doctor.

Keep out of reach of Children - if swallowed get medical help or contact Poison Control Center right away.

Directions: Adults and Children over 6 months of age: Apply generously and evenly 15 minutes before sun exposure. Reapply at least every 2 hours. Sun Protection Measures: Spending time in the sun increases your risk of skin cancer and early skin aging - to decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and take other sun protection measures including limiting time in the sun, especially from 10 a.m. - 2 p.m., and wearing long-sleeve shirts, pants, hats and sunglasses.

Daily Protection Against UV Rays
Safeguard your skin from the sun with daily UV protection and skin nourishment. Natural minerals Zinc Oxide and Titanium Dioxide form a sun protective shield. Powerful extracts of Olive, Coffee Seed and Green Tea restoratively beautify the skin and help prevent UV damage. Our expert formulation is non-greasy, scent-free, and provides a make-up-friendly matte finish.

Skin and coral reef friendly.

Protection quotidienne contre les rayons UV
Protégez votre peau du soleil avec une protection UV quotidienne et un soin nourrissant pour la peau. Les minéraux naturels de l'oxyde de zinc et du dioxyde de titane forment un écran de protection solaire. Des extraits puissants d'olive, de graine de café et de thé vert embellissent la peau de manière réparatrice et aident à prévenir les dommages causés par les rayons UV. Notre formulation experte est non grasse, sans parfum et offre une finition mate idéale pour le maquillage.

Sans danger pour la peau et les récifs coralliens.
