

**THERABREATH DEEP CLEAN FRESH MINT- cetylpyridinium chloride rinse  
Church & Dwight Co., Inc.**

-----  
**Therabreath™ Deep Clean Fresh Mint**

***Drug Facts***

**Active Ingredients**

Cetylpyridinium Chloride 0.1%

**Purpose**

Antigingivitis/Antiplaque

**Uses**

- Helps prevent gingivitis, an early form of gum disease and bleeding gums
- Helps control plaque that leads to gingivitis and bleeding gums

**Warnings**

**Stop use and ask a dentist if**

- Gingivitis, bleeding, or redness persists for more than 2 weeks.
- You have painful or swollen gums, pus from the gum line, loose teeth, or increasing spacing between teeth. These may be signs or symptoms of periodontitis, a serious form of gum disease.

**Keep out of reach of children under 6 years of age.** If more than used for rinsing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

**Directions**

Adults and Children 12 years and older	Vigorously swish 20 milliliters (4 teaspoonfuls) of rinse between your teeth twice a day for 30 seconds and then spit out. Do not swallow the rinse.
Children 6 years to under 12 years	Supervise use.
Children under 6	Do not use.

FRESH MINT

**Here's Our Story:**

A clean mouth is a healthy mouth. That's why our team created TheraBreath™ Deep Clean Oral Rinse for those who seek a powerful, bacteria-killing clean. This rinse is formulated with ingredients demonstrated to kill germs in your mouth that cause bad breath, plaque, and gingivitis. And like all Dentist & Bacteriologist TheraBreath Oral Rinses, Deep Clean is formulated with no alcohol, dyes, or burning. A deep clean AND fresh breath – the best of both worlds!

Dr. Harold Katz  
Dentist & Bacteriologist

**Our Guarantee To You:**

Your satisfaction with every TheraBreath™ product is guaranteed or your money back. If you are not completely satisfied, please contact us for refund instructions.

Keep out of the reach of children. If spilled on fabrics, wash out immediately. This product was sealed with protective packaging at the laboratory. If seal is missing do not use. This rinse may cause temporary staining on the surface of the teeth. This is not harmful, and adequate brushing may prevent its occurrence.

\*Among leading brands.  
\*In laboratory tests.

TheraBreath is manufactured for Church & Dwight Co., Inc. Ewing, NJ 08628 U.S.A.
