

**FUNGI NAIL ANTI-FUNGAL PEN- tolnaftate liquid**  
**Kramer Laboratories**

-----  
**Drug Facts**

<b>Active Ingredient</b>	<b>Purpose</b>
Tolnaftate 1%	Anti-fungal

**Uses**

■ proven effective in the treatment of most athlete's foot (tinea pedis) and ringworm (tinea corporis) ■ helps prevent most athlete's foot with daily use ■ for effective relief of itching, burning and cracking.

**Warnings**

**For external use only**

**Do not use** on children under 2 years of age unless directed by a doctor.

**When using this product**

■ avoid contact with eyes.

**Stop use and ask a doctor if**

■ irritation occurs ■ there is no improvement within 4 weeks.

**Keep this and all medication out of the reach of children.**

In case of accidental ingestion, contact a physician, emergency medical care facility or Poison Control Center immediately for advice.

**Directions**

■ Clean affected area with soap and water and dry thoroughly. ■ Apply a thin layer of Fungi-Nail® Anti-Fungal over affected area twice daily (morning and night) or as directed by a doctor. ■ Wear well-fitting, ventilated shoes and change shoes and socks at least once daily. ■ For athlete's foot pay special attention to spaces between the toes. ■ For athlete's foot and ringworm, use daily for 4 weeks. ■ To prevent athlete's foot, apply once or twice daily (morning and/or night). ■ For toe fungus, apply under nail and cuticle area. If condition persists longer, consult a doctor. ■ The product is not effective on the scalp or nails. ■ Supervise children in the use of this product.
