### **Drug Facts**

#### **INDICATIONS AND USAGE:**

Formulated as a home treatment for acne-prone skin, this mask gently exfoliates the skin's surface with jojoba beads, allowing the follicular-oxidizing benefits of Benzoyl Peroxide to penetrate and take effect. Plant extracts and MSM are also included to increase healing time and assist in preventing future breakouts.

#### **DIRECTIONS:**

Apply to cleansed skin using fingertips. Massage gently in circular movements for 1-2 minutes and then allow the product to remain on the skin for an additional 5-10 minutes, depending on skin tolerance and/or sensitivity. Avoid the eye area. Rinse well and follow suggested post-mask home care regimen. Use this product according to the recommendations of your skin care professional. Skip the massage step with Grade 3 and 4 Acne.

#### **ACTIVE INGREDIENT:**

Benzoyl Peroxide 2.5%
