- * This product is not a substitute for medication.

Do not use

- * For external use only, do not ingest.

When Using

- * Avoid eye contact; maintain dry and clean skin.
- * Exercise caution when using on severely ulcerated skin.

Stop Use

Stop use and ask a doctor if rash occurs

Ask Doctor

Stop use and ask a doctor if rash occurs

Keep Out Of Reach Of Children

Keep out of reach of children.

Directions

1. Apply the product twice a day, in the morning and at night.
 2. For initial use, soak the affected nail in warm water to soften it. Gently file the nail to make it thinner and remove dirt, being cautious not to harm the nail bed. Apply the product after this step.
 3. After the first application, repeat every 2-3 days. File the surface of the affected nail and continue regular usage.
- *In case of ingestion, seek medical assistance or contact a poison control center immediately.

Other information

Please store in a cool, dry place away from direct sunlight.
