NASAL DECONGESTANT WITH SOOTHING XYLITOL

**BENEFITS**

- WORKS INSTANTLY
- Relieves sinus pressure
- 12-hour relief without drowsiness or dryness
- Cleans, moisturizes, soothes, and protects the sinuses and nasal passages
- Hydrates to alleviate dryness

**REDUCTION OF BACTERIA**

Bacterial count per epithelial cell	Without Xylitol	With Xylitol
<i>S. pneumoniae</i>	~25	~10
<i>H. influenzae</i>	~15	~5
<i>M. catarrhalis</i>	~10	~5

*S. pneumo*, *H. influenzae* and *M. catarrhalis* have a reduced ability to adhere to nasal epithelial cells. *Tero Kontiokari - Univ. Oulu, Finland (J. of Anti. Chemo, '98 #41)*

Whether you suffer from congestion due to allergies, hay fever, flu, a cold, or airborne irritants and pollutants, the Xlear Sinus Care System™ has the right product for you.

**SAFETY SEALED:** Spray nozzle shrink banded for your protection. Do not use if seal is missing or visibly tampered with.

## NASAL DECONGESTANT

WITH MOISTURIZING XYLITOL

FOR COLDS, HAY FEVER AND ALLERGY RELIEF

INSTANT RELIEF

0.5 fl oz  
14.8 mL

TOLITOLX WITH

**Drug Facts**

**Active ingredient:** Oxymetazoline HCl 0.05% ..... Nasal decongestant

**Use:** For temporary relief of nasal congestion due to colds, hay fever or other upper respiratory allergies, or associated with sinusitis. Helps soothe & moisturize nasal passages. Thins & loosens mucous secretions.

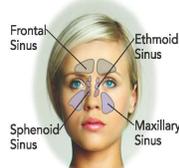

**Warnings:** The use of this container by more than one person may spread infection. Keep out of reach of children. Clean nozzle after each use & replace the cap. Do not exceed recommended dosage. Do not use this product for more than 3 days. If pregnant or breast-feeding, ask a health professional before use. Ask a physician before use if you have heart disease • high blood pressure • thyroid disease • diabetes • trouble urinating due to an enlarged prostate gland. Not for children under age 6 unless directed by a physician.

**Purpose**

**Directions:** Shake well before using. The metered pump sprayer provides a precise amount of soothing spray in a fine mist. Clear the nasal passage way by gently blowing your nose before using. Prior to initial use, remove cap. Firmly press the nozzle into the nostril. The solution is dispensed. Insert nozzle into nostril and depress pump completely while breathing in through nose. Clean nozzle after use. Ages 6 years to adult (with adult supervision) - spray 1-2 times in each nostril not more often than every 10 to 12 hours. Do not exceed 2 doses in any 24-hour period.

**Inactive ingredients:** Benzalkonium Chloride, Purified Water, Xylitol

**DOCTOR RECOMMENDED**

**WHY XLEAR WITH XYLITOL?**

Decongestants can be drying to the nasal passages. Xylitol, with its moisturizing properties targets the drying effects of oxymetazoline and soothes delicate sinus tissues. Xylitol also reduces bacterial adhesion, which allows contaminants to be washed out of the nose & sinuses, leaving your airways clean. (See graph on side panel).

Use **Xlear 12 Hour** only as directed. Do not exceed recommended dose. Use **Xlear Saline Nasal Spray** for continued daily relief.
