

MOISTURE SHIELDING HAND SANITIZER- hand sanitizer liquid

Dermalogica, LLC

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

dermalogica

moisture shielding hand sanitizer

Active Ingredient

Benzalkonium Chloride 0.13%

Purpose

Antiseptic

Use

- Hand sanitizer to help reduce bacteria that potentially can cause disease.
- For use when soap and water are not available.

Warnings

For external use only.

Do not use

- on children less than 2 months of age
- on open skin wounds
- on irritated skin

When using this product

keep out of eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water.

Stop use and ask a doctor if

- irritation or rash occurs.
- side effects occur. You may report side effects to the FDA at 1-800-FDA-1088

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Place enough product on hands to cover all surfaces. Rub hands together until dry.
- Supervise children under 6 years of age when using this product to avoid swallowing.
