Directions

Apply to affected area at first sign of an outbreak 3-5 times per day. Avoid contact with eyes.

Indications

For relief and treatment of skin inflammation, pain and redness of shingles outbreaks.

Warnings

Product Note: Shingles is a viral infection (herpes zoster) of the skin with symptoms of rashes or blisters, redness and pain. Viral infections are often highly contagious.

If skin symptoms worsen consult a health care professional.

Some individuals may be sensitive to tea tree or other oils. Begin with a small drop to determine if the product causes any increased redness or irritation and discontinue use if it irritates your skin.

If you are pregnant or breast-feeding, ask a health professional before use.

Keep out of the reach of children.

External use only. If accidental ingestion, get medical help or contact a Poison Control Center.

Do not apply to the eyes or mucous membranes.

Keep all medicines out of the reach of children.

Stop use and ask a doctor if condition worsens or symptoms last more than 7 days or clear up and occur again within a few days.
