Naturasil® Mite• B• Gone TREATMENT KIT

Topical Mite and Multi-Purpose Itch Lotion

Drug Facts

Active Ingredients:

Sulfur 1X HPUS

The letters HPUS indicate the component(s) in this product is (are) officially monographed in the Homeopathic Pharmacopeia of the United States.

Purpose

Mite Symptom Relief

Uses: Symptomatic treatment of mite infections.

Warnings: For external use only. Ask a doctor before use if pregnant or nursing. Avoid using near eyes, mouth or mucous membranes. If eye contact occurs, rinse thoroughly with water and consult a doctor.

Keep out of reach of children. Do not use if tamper evident seal is broken. In case of ingestion, call Poison Control Center hotline immediately at 1-800-222-1222.

Directions: SHAKE WELL. Cleanse skin thoroughly with Mite-B-Gone Soap before applying. Cover the affected area with lotion 2-3 times per day. If excessive drying of the skin or rash occurs, reduce the application of lotion or discontinue use. Some may be sensitive to sulfur or essential oils. Skin test for tolerability. If irritation or reaction occurs, discontinue use.

Inactive Ingredients: Aqua, Carbomer, Cetearyl Alcohol, Glyceryl Stearate, Helianthus Annus (Sunflower) Seed Oil, Phenoxyethanol, Polysorbate 20, Potassium Sorbate, Sodium Hydroxide, Tea Tree Oil.

Topical Mite and Multi-Purpose Itch Soap

Drug Facts

Active Ingredients:

Sulfur 1X HPUS, Thuja Occidentalis 6X HPUS

The letters HPUS indicate the component(s) in this product is (are) officially monographed in the Homeopathic Pharmacopeia of the United States.

Purpose

Mite Symptom Relief

Uses: Symptomatic homeopathic topical treatment of common parasitic skin infections.

Warnings: For external use only. Ask a doctor before use if pregnant or nursing. Avoid using near eyes, mouth or mucous membranes. If contact with eyes or mucous membranes occurs, rinse thoroughly with water.

Keep out of reach of children. In case of ingestion, call Poison Control Center hotline immediately at 1-800-222-1222

Directions: Use soap at least 2 times per day, for 4-10 days. Drying of skin may occur. Some individuals may be sensitive to essential oils. Skin test for tolerability. If irritation or reaction occurs, discontinue use.

Inactive Ingredients: Aqua, Citric Acid, Cocamidopropyl Betaine, Cocos Nucifera (coconut oil), Glycerin, Glyceryl Laurate, Lavender Oil, Pentasodium Pentetate, Propylene Glycol, Sodium Chloride, Sodium Citrate, Sodium Laurate, Sodium Myristate, Sodium Oleate, Sodium Stearate, Sodium Thiosulfate, Sorbitol, Tetrasodium Etidronate, Titanium Dioxide, Trisodium Sulfosuccinate.

- **All-Natural Blend of Anti-Inflammatory Ingredients**
- **10% Premium Volcanic Sulfur**
- **Lasting Relief WITHOUT Harsh Chemicals or Irritation**

GOOD MANUFACTURING PRACTICE
QUALITY PRODUCT

CRUELTY FREE

NOT TESTED ON ANIMALS

ALL NATURAL 100% GUARANTEE

Mite-B-Gone Topical Mite and Multipurpose Itch Soap and Lotion are formulated with a natural blend of nourishing essential oils that bring quick relief of mites, acne, seborrheic dermatitis, eczema, tinea, nail fungus, and other fungal infections. Our Anti-inflammatory blends work quickly to counteract itching and clear up outbreaks. Mite-B-Gone has 10% premium volcanic sulfur and tea tree essential oil to stop the intense itch and help provide fast relief. The added sunflower oil helps to hydrate and soothe your skin. Mite-B-Gone gives you lasting relief WITHOUT harsh chemicals or irritation. Proudly small batched by our skilled production technicians in our FDA registered facility right outside of Atlanta, Georgia, USA.

Lotion and soap MUST be used together for optimum relief and healing. Thoroughly

wash affected area with Mite-B-Gone Soap and dry. Next, apply Mite-B-Gone Lotion 2-3 times daily. Drying of skin may occur. Some individuals may be sensitive to essential oils. Skin test for tolerability. If irritation or reaction occurs, discontinue use.
