iBlanc Restora-Bright Acne-Healing Cream

USES: FOR THE TREATMENT OF ACNE

Active Ingredient: Benzoyl Peroxide 5.25%

Uses

- for the treatment of acne

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Do not use if you

- have very sensitive skin.
- are sensitive to benzoyl peroxide

When using this product

- avoid unnecessary skin exposure and use a sunscreen
- avoid contact with eyes, lips and mouth. If eye contact accidentally occurs, rinse eyes thoroughly with water.
- avoid contact with hair and dyed fabrics which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor if irritation becomes severe.
