### **Indications**

For the temporary relief of headaches.

### **Directions**

Shake well before use. Apply to temples and back of the neck as needed, roll gently into the skin. For children under 2 years of age, consult a doctor before use.

### **Warnings**

Some individuals may be sensitive to essential oils. Begin with a small drop to determine if the product causes any increased redness or irritation and discontinue use if it irritates your skin. **For external use only.** If accidental ingestion of more than several drops, and adverse reaction occurs, get medical help or contact a Poison Control Center. Do not apply to the eyes. If you are pregnant or breast-feeding, ask a health professional before use. Not for use on children under the age of 2 without physician direction.

**Keep all medicines out of the reach of children.** Stop use and consult a doctor if condition worsens, or consult a doctor if symptoms show no improvement after 7 days.

### **Tips For Use**

Headache Pain Management works by calming the system, helping to reduce

inflammation. It helps relax muscles in your head and neck that can cause or prolong headaches.

It can offer complete relief from headache pain in as little as 3-5 minutes.

Headache Pain Management should be applied whenever you experience symptoms or pain. Simply apply 1-3 drops to the back of your neck and temples using your fingertip, or a cotton swab.

It is OK to use more than this to treat more severe headaches, or quicker relief. It is safe to use other headache products at the same time as Headache Pain Management.
