

ADVANCE TECHNIQUES KEEP CLEAR ANTI-DANDRUFF TREATMENT- pyrrithione zinc lotion

Avon Products, Inc.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active/medicinal ingredient	Purpose
Pyrrithione Zinc 0.1%.....	Antidandruff

Uses

- reduces the symptoms of dandruff
- controls scalp flaking associated with dandruff

Warnings

For external use only. Consult a health care practitioner prior to use on children under 2 years of age.

When using this product

- avoid contact with eyes. If product gets into eyes, rinse thoroughly with water.

Stop us and ask a health care practitioner if

- rash or irritation occurs
- condition worsens or does not improve after regular use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

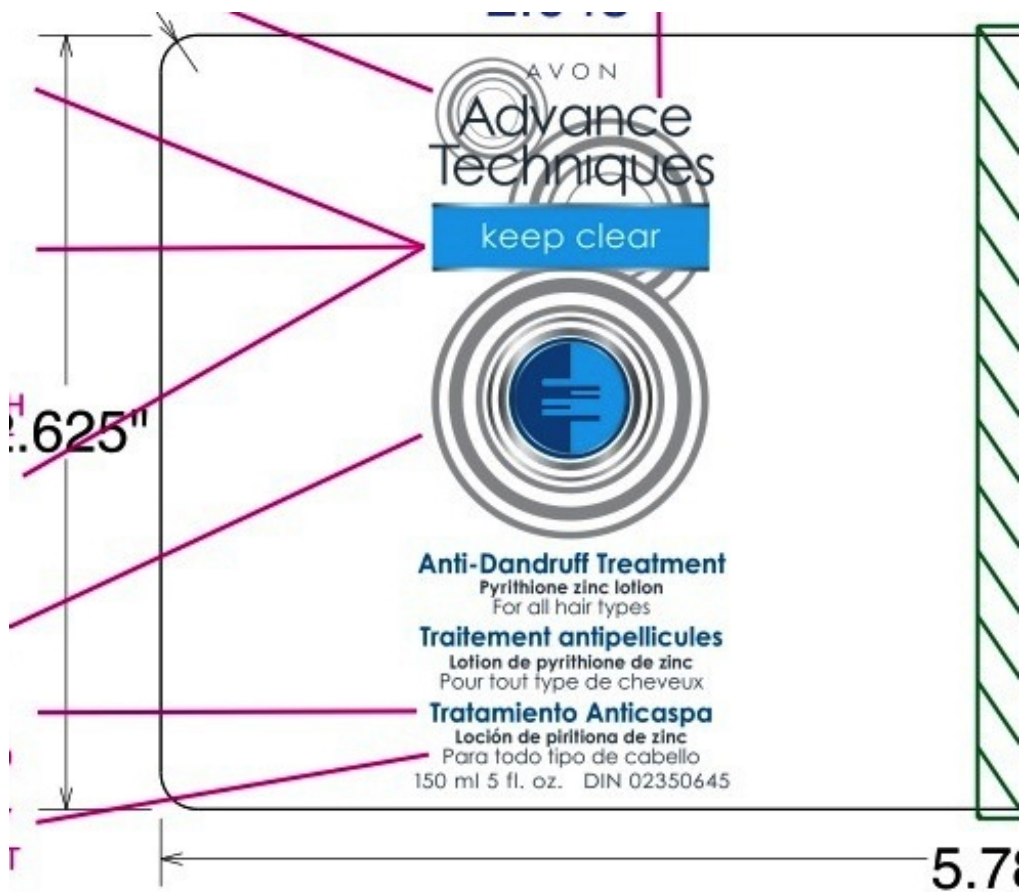

- Apply to scalp one to three times daily or as directed by a health care practitioner. After shampooing and conditioning your hair, thoroughly towel-dry. Part hair section by section and apply a few drops to scalp using applicator tip along parts. Do not rinse. Style as usual.
