CVS pharmacyTM anti-wrinkle & firming day cream

Active ingredient

Avobenzone, 2.0%

Oclisalate, 5.0%

Octocrylene, 5.0%

Purpose

Sunscreen

Uses

- Helps prevent sunburn
- If used as directed with other sun protection measures (see ***Directions***), decreases the risk of skin cancer and early skin aging caused by the sun

Warnings

For external use only.

Do not use on

- damaged or broken skin.

When using this product

- keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor

- if rash occurs.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Apply liberally 15 minutes before sun exposure
- Reapply at least every 2 hours

- Use water-resistant sunscreen if swimming or sweating
- **Sun Protection Measures:** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including:
 - limit time in the sun, especially from 10 a.m. - 2 p.m.
 - wear long-sleeved shirts, pants, hats and sunglasses
- Children under 6 months: ask a doctor

Other Information

- protect the product in this container from excessive heat and direct sun

Inactive Ingredients

 anti-wrinkle & firming day cream
 SPF 18
 Broad Spectrum SPF 18 Sunscreen
Anti-wrinkle & firming moisturizer

With retinol encapsulated provitamin A & tetrapeptide complex

Smooths & firms skin

Compare to L'Oreal® Revitalift® Anti-Wrinkle + Firming Day Cream*

NET WT 1.7 OZ (49g)

CVS/pharmacy™ Anti-Wrinkle & Firming Day Cream is uniquely formulated to smooth away the appearance of wrinkles and visibly improve the look of firmer skin. As we age, essential elastin fibers decrease and skin loses its firmness while wrinkles become more visible. The retinol encapsulated provitamin A and Tetrapeptide Complex help to reduce the appearance of wrinkles, and are specially formulated to provide sun protection and 24-hour moisturization. It's non-greasy and is dermatologist tested for gentleness.

Advanced Anti-Wrinkle Action

Retinol encapsulated provitamin A helps skin renewal, reducing the look of fine lines and wrinkles. Results can be seen in just two weeks. This technology continuously acts to fight the signs of aging, minimizing the appearance of dark circles and puffiness.

Innovative Firming

The Tetrapeptide Complex has proven to show improved elastin fibers.[†] Skin's surface appears more

resilient and toned.

Continuous Moisturization & Skin Protection

24-hour moisturization helps soothe dry skin, and leaves skin looking radiant and revitalized. Broad spectrum UVA/UVB SPF 18 protects the skin and prevents skin damage by UV exposure.

†In-vitro testing
