CLX Wipes®

odor removing zinc gluconate
wet wipes for dogs and cats

Composition: Active ingredient(s): zinc gluconate 1%.

Inactive ingredient(s): benzyl alcohol, chlorhexidine digluconate, climbazole, demineralized water, glycerin, isotridecanol ethoxylated, perfume, propylene glycol, Tris-EDTA.

Indications: For cleaning the fur and skin of the animal, including the pads and interdigital spaces on the paws. Useful for cleaning between skin folds. Cleans and helps eliminate odors.

Directions for use: To clean and help eliminate odors, carefully wipe the fur and skin of the animal, including the pads and interdigital spaces on the paws, folding the wipe as needed. Carefully wipe between skin folds as needed. More than one wipe may be necessary. Do not rinse. May be used several times a day.

Precautionary statements: For topical use on dogs and cats only. May cause skin or eye irritation. If skin irritation occurs and persists, discontinue use and contact your veterinarian. Consult a veterinarian before using on pregnant, lactating or breeding animals; puppies; kittens; or animals with a pre-existing medical condition. Use with caution in older animals. If an animal has an adverse reaction to treatment, discontinue use and contact your veterinarian.

Warning: Keep out of reach of children.

Storage: Store at room temperature. Do not freeze.
