

EQUATE- salicylic acid cream
Walmart INC

NDC- 79903-317, Acne Control 5 in 1 Exfoliating Wash.

Active Ingredient

Salicylic Acid 2%

Purpose

Acne Medication

Uses

- For the treatment of acne.

Warnings

For External use only.

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time.If irritation occurs, use only one topical acne medication at a time.
- Avoid contact with eyes. If contact occurs, rinse thoroughly with water.

Keep out of reach of children.

- If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Wet face.
- dispense product into hands, lather and massage gently onto face and neck, avoiding the delicate eye area.
- Rinse thoroughly with warm water and pat dry.
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.
