COMPLETE DRUG FACTS INSIDE

Similasan funciona de manera diferente que la mayoría de los productos medicinales. Formulado con ingredientes naturales activos y confiable desde hace más de 35 años en Suiza, estimula suavemente la capacidad natural del cuerpo para aliviar temporalmente los síntomas.

Nuestros representantes de atención de servicio al cliente puede ser alcanzado en 1-800-240-9780 o getinfo@SimilasanUSA.com.

Dry Eye Relief™ colirio estéril

Las gotas oftálmicas Dry Eye Relief, estimulan la capacidad natural del cuerpo para aliviar los síntomas de sequedad en la vista, tales como el enrojecimiento de ojos y párpados, lagrimeo reflejo provocado por sequedad en la vista.

Especificaciones del medicamento

Ingredientes activos *Propaganda*
Belladonna 0.1% ... sequedad, enrojecimiento
Euphrasia officinalis (Eyedrop) 0.1%
Mercurius sublimatus 15X ... lagrimeo

Aplicaciones*
Según las prescripciones homeopáticas, los ingredientes activos de esta preparación se han usado con éxito durante los últimos mil años, como:
• sequedad de la vista
• enrojecimiento de ojos y párpados
• lagrimeo reflejo provocado por sequedad en la vista

Advertencias
• Solo para uso externo.
• Según las prescripciones homeopáticas, los síntomas pueden empeorar de manera temporal antes de mejorar (exacerbación inicial de los síntomas).
• Utilizado solamente si el gotero de un solo uso está intacto.

Advertencias

• Evitar el contacto con la superficie de la lente de contacto de la persona del usuario con ninguna excepción. No reutilizar o compartir. Usar un estuche limpio.
• Después de haberse dañado: consultar a su médico antes de usar.

Si está embarazada, está lactando o está considerando consultar a un profesional médico, antes de utilizar el producto.
Mantenga fuera del alcance de los niños. Si se lo requiere, consulte a su médico o farmacéutico con un Centro de Toxicología de su localidad.

Ver también:
• Si la solución cambia de color o se pone turbia.
• Deje de usarlo y consulte al médico si:
• los síntomas se agravan o persisten durante más de 72 horas.
• usted experimenta dolor ocular o cambios en la visión.

Instrucciones

Para adultos y niños de 2 años y más:
• Laga girar el estuche con la tapa hacia abajo.
• Soprese el gotero plástico hasta ver color (15 gotas al día y después de cada vez).

• Utilice un gotero nuevo para cada gota.
• Aplique una medicina según lo necesario.

Información adicional
Los ingredientes activos se obtienen de acuerdo con las prescripciones homeopáticas.
Ingredientes inactivos
Borato de sodio, agua purificada.
