-----

**Active ingredient**

**Purpose**

Benzoyl Peroxide 10%.....Acne medications

**Uses**

- for the treatment and prevention of acne pimples

**Warnings**

**For external use only**

**Do not use** if you have sensitive skin or are sensitive to benzoyl peroxide

**When using this product**

- avoid contact with eyes, lips and mouth
- avoid contact with hair or dyed fabrics including carpet and clothing which may be bleached by this product
- with other tropical acne medications, at the same time or immediately following use of this product, increased dryness or irritation of the skin may occur. If this occurs, only one medications should be use unless directed by a doctor
- skin irritation may occur, characterized by redness, burning, itching, peeling or possibly swelling. More frequent use or concentration may aggravate skin irritation. Mild irritation may be reduced by using the product less frequently or in a lower concentration.

**Stop use and ask a doctor if** skin irritation becomes severe

**Keep out of reach of children.** In case of accidental ingestion, get medical help or contact a Poison Control Center immediately.

**Directions**

- cleanse the skin thoroughly before applying medication
- cover the entire affected area with a thin layer one to three times a day
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day
- use to prevent new pimples from forming

**Other information**

- keep tightly closed
- keep away from heat

**Inactive ingredients**

aluminum hydroxide, betonite, dimethicone, glyceryl, stearate SE, isopropyl myristate, methylparaben, petrolatum, polyethylene glycol 400, propylene glycol, propylpraben, tefose 63, water
