Atlantic Management Resources Inc

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Neuroquell-Plus

Active ingredients:	Calendula Oil (1x)
Warnings:	<ul style="list-style-type: none">> For external use only.> Keep out of reach of children, and do not use on children under 5 years of age.> If pregnant, nursing or taking oral contraceptives, seek advice of a health professional before use.
Inactive ingredients:	Almond oil; Alpha-Pinene; Beta-Pinene; Coriander Oil; Commint Oil; Menthyl-Acetate; Mineral Oil; Orange Oil; Pennyroyal Oil; Rosemary Oil and White Camphor.
Warnings:	<ul style="list-style-type: none">> For external use only.> Keep out of reach of children, and do not use on children under 5 years of age.> If pregnant, nursing or taking oral contraceptives, seek advice of a health professional before use.
Uses:	Temporarily relieves pain associated with minor aches and pains of muscles, joints, nerve-based pain and headaches/migraines. Individual results may vary.

DOSAGE & ADMINISTRATION SECTION

When you are ready to apply Neuroquell, remove the cap, turn the bottle upside down, and gently roll the applicator onto the area of discomfort in a continuous, back-and-forth motion to cover approximately one-half of the area of your pain. If using either the sample swab or towelette, apply in a similar way. Your skin will remain moist for a few minutes. Close cap tightly after use, and wash hands thoroughly. Feel free to reapply 4-to-6 hours later and up to 3 additional times per day. To eliminate the peppermint scent, you can wash the treated area with soap and water 15 minutes after the application. This will not affect the efficacy of the product. If there is highlights text then the SPL document title should include the following text string without quotation marks: These highlights do not include all the information needed to use see full prescribing information for and Initial U.S. Approval

INDICATIONS & USAGE SECTION

Temporarily relieves pain associated with minor aches and pains of muscles, joints, nerve-based pain and headaches/migraines. Individual results may vary.
