*Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.*

-----  
**CleanShot™ SANITIZING ALCOHOL WIPES**

***Drug Facts***

***Active Ingredients***

Isopropyl Alcohol 75%

***Purpose***

Antiseptic

***Uses:*** For cleaning to reduce bacteria on the skin

***Warnings***

For external use only

Flammable, keep away from fire or flame.

**When using this product** do not use in or near the eyes. In case of contact, rinse eyes thoroughly with water.

**Stop use and ask a doctor** if irritation or redness develops.

These wipes do not replace wipes used for medical procedures. These wipes are meant for general cleaning.

Discontinue use if irritation and redness develop. If the condition persists for more than 72 hours, consult a physician.

Please close the lid after dispensing to maintain purity. Alcohol by nature evaporates quickly.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

***Directions*** • open lid to remove wipes • apply wipe thoroughly onto hands • discard after single use into trash receptacle

***Other Information*** • store between 59°F-83°F (15°C-30°C) • do not flush wipes

***Inactive Ingredients*** Water, Glycerin, Fragrance (Parfum)

**SAFE ON EQUIPMENT**
