Pramoxine Anti-Itch Shampoo

Davis Pramoxine Anti-ItchTM Shampoo helps to provide rapid, temporary relief from pruritis caused by a variety of dermatologic conditions. The safe, fast acting formula contains 1% Pramoxine Hydrochloride which acts as an effective topical agent to aid in alleviating itching and discomfort. Colloidal Oatmeal and moisture-rich emollients condition the skin and help prevent future dryness and flaking while Omega-6 fatty acids provide dermal nourishing. Davis Pramoxine Anti-Itch Shampoo is gentle enough for frequent use and leaves the coat with a healthy shine and pleasant scent.

Environment Friendly

MADE IN THE USA

Davis Manufacturing

541 Proctor Avenue

Atlanta/Scottsdale, GA 30079

www.davismfg.com

800-292-2424

Active Ingredients: Pramoxine Hydrochloride 1.0%

Inactive Ingredients: Purified Water, Cetyl Alcohol, Cetearyl Alcohol & Ceterimenium Bromide, Modified Acrylic Polymer, Germaben II, Cationic Guar Gum, Colloidal Oatmeal, Triethanolamine, Herbal Fragrance, FD&C Yellow #5, Chocolate Dye

DIRECTIONS FOR USE

Wet coat thoroughly with warm water. Apply shampoo to head ears, then lather. Do not get shampoo into eyes or nose. Repeat procedure with neck, chest, middle and hindquarters, finishing with legs. Allow shampoo to be absorbed for 5 to 10 minutes then rinse thoroughly. May be used as often as necessary or as directed by a veterinarian. For optimal results, use in conjunction with Davis Pramoxine Anti-ItchTM Creme Rinse. For added benefit between baths, apply Pramoxine Anti-ItchTM Spray to localized areas.

If contact with eyes or nose occurs, rinse thoroughly. If irritation or redness persist or increases, discontinue use and consult a veterinarian.

For External Use Only
