TRP Company

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Appetite Relief

Sorbitol, Xylitol, Natural flavor (Spearmint, Peppermint, Menthol), Lactose, Sucralose, Acesulfame Potassium, Calcium Stearate, Spirulina Extract, Riboflavin

According to homeopathic indications, these ingredients temporarily relieve and calm appetite related symptoms of: • excessive appetite • insatiable hunger • overeating • food cravings • empty stomach feeling • irritability after diagnosis by a physician. *These statements are based upon traditional homeopathic practice. They have not been reviewed by the Food and Drug Administration.

**These statements are based upon traditional homeopathic practice. They have not been reviewed by the Food and Drug Administration.*

- Suitable for adults and children 12 years and above.
- To use a lozenge, place it in your mouth and let it dissolve slowly. Try not to chew or swallow the lozenge.
- Use one lozenge 10 to 15 minutes before each meal. If you feel hungry between meals, you may take one lozenge as needed, up to 10 lozenges a day or as directed by your physician.
- This product's effectiveness is directly related to the degree which you reduce your daily food intake. Attempts at weight reduction without a change in personal habits to support weight loss will compromise this product's effectiveness.
- Excess consumption may have a laxative effect.

- Homeopathic remedies may not be effective for everyone.

USE ONLY AFTER DIAGNOSIS BY A PHYSICIAN AND UNDER THE SUPERVISION OF A PHYSICIAN.

- This product is intended to complement not replace standard medical treatments.
- Initial worsening of symptoms may occur.

- If you are pregnant or breast-feeding, ask a health care professional before use

- Keep out of reach of children under the age of 12.

Stop use and ask a doctor if:

Stop use and ask a doctor if: • New symptoms such as cough, congestion, allergies, and/or mouth, teeth or jaw problems occur.

- In case of overdose get medical help or contact a poison control center right away.

- There are no known contraindications.
- Active ingredients are micro-diluted in accordance with the Homeopathic Pharmacopoeia of the United States and are therefore non-toxic with no known side effects.
- Store in a cool dark location.

Appetite Relief™ Homeopathic Lozenges are a homeopathic dilution.

Stay Healthy, Naturally™

Appetite Relief
HOMEOPATHIC MEDICINE

Stay Healthy, Naturally™ Appetite Relief™ from The Relief Products is a homeopathic, sugar-free lozenge that can help you curb your appetite and relieve your food cravings so that you don't feel hungry. Appetite Relief™ is formulated to help you boost your resistance to carbs, sweets and junk foods.

For best results: Use a lozenge 10 to 15 minutes before eating and between meals as needed. For more details, see Directions. Homeopathic remedies may not be effective for everyone.
