----------

Perrigo Benzoyl Peroxide 5% Drug Facts

Active ingredient
Benzoyl peroxide 5%

Purpose
Acne medication

Use
for the treatment of acne

Warnings
For external use only

Do not use
if you

• have very sensitive skin
• are sensitive to benzoyl peroxide

When using this product

• skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
• avoid unnecessary sun exposure and use a sunscreen
• avoid contact with the eyes, lips, and mouth
• avoid contact with hair and dyed fabrics, which may be bleached by this product
• skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor if

• irritation becomes severe

Keep out of reach of children.
If swallowed, get medical help or contact a Poison Control Center right away. (1-800-222-1222)

Directions
• shake well
• Sensitivity Test for a New User. Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated below.
• wet area to be cleansed
• apply acne wash and gently massage area for 1-2 minutes
• rinse thoroughly and pat dry
• because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
• if bothersome dryness or peeling occurs, reduce application to once a day or every other day
• if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.
