first years

Ready, Set, Help: The First Years will pay 2-3% of the purchase price of this product to the American Red Cross. To learn more about the American Red Cross visit: redcross.org

The New Parent First Aid Kit includes 118 emergency and first aid essentials, with special emphasis on infant and toddler care. The sturdy storage case is ideal for restocking when supplies get low. Be sure to:

- Check the kit regularly
- Check expiration dates and replace any used or out-of date items.
- Check batteries in mini-flash light and replace when necessary (2 AAA alkaline batteries recommended)
- Always store your first aid kit in a secure place out of reach of young children

New Parent Resources

Infant and Child CPR Training teaches parents, expectant parents, nannies, babysitters and family members to prevent, recognize and provide care for breathing and cardiac emergencies in infants and children age 12 and under. Includes hands-on practice.

Visit redcross.org or contact your local American Red Cross chapter for more information about first aid, CPR courses and products to keep your family safe.
