## **Description**

Protects and boosts young skin's natural defences to help it look younger for longer.

This super light and non-pore blocking day cream is especially designed for young skin.

Unique Double Defence technology protects skin and boosts natural defences to help it look younger for longer. The protective power of Broad Spectrum SPF30 gives skin advanced protection from the sun and environmental stress. Lipopeptides and Vitamin A help reduce the appearance of first fine lines.

Use every morning after cleansing, massage in small upward circles over face and neck,avoiding the delicate eye area.
