

**CREOMULSION FOR CHILDREN- dextromethorphan hydrobromide syrup**  
**Socius Care, LLC**

-----  
**Creomulsion For Children Soothing Cough Syrup Drug Facts**

**Active Ingredient**

In one teaspoon (5 ml) Dextromethorphan HBr, USP 5 mg

**Purpose**

Cough Suppressant

**Uses**

- Temporarily relieves cough due to minor throat and bronchial irritation as may occur with a cold.

**Warnings**

Do not use if you are now taking prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric, or emotional conditions, or Parkinson's disease)

or for 2 weeks after stopping the MAOI drug. If you do not know if your prescription drug contains an MAOI, ask a doctor or a pharmacist before taking the product.

**Ask a doctor before use if you**

- have cough that occurs with too much phlegm (mucus)
- have cough that lasts or is chronic such as occurs with smoking, asthma, chronic bronchitis, or emphysema.

**Stop use and ask a doctor if**

- cough lasts more than 7 days comes back, or is accompanied by fever, rash, or persistent headache. These could be signs of a serious condition.

**If pregnant or breast feeding,** ask a health professional before use.

**Keep out of reach of children.** In case of overdose, get medical help or contact a Poison Control Center right away.

**Directions**

- Do not take more than 6 doses in any 24 period. Use enclosed dose cup.

# Creomulsion<sup>®</sup>

For Children

**Warnings:** A persistent cough may be a sign of a serious condition. If cough persists for more than 1 week, tends to recur, or is accompanied by a fever, rash, or persistent headache, consult a doctor. Do not take this product for persistent or chronic cough such as occurs with asthma and chronic bronchitis, or if cough is accompanied by excessive phlegm (mucus) unless directed by a doctor.

**Drug Interaction Precaution:** Do not take this product if you are now taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric or emotional conditions, or Parkinson's disease), or for 2 weeks after stopping that MAOI drug. If you are uncertain whether your prescription drug contains an MAOI, consult a health professional before taking this product. In case of accidental overdose, seek professional assistance or contact a poison control center immediately.
