NATUROPATHICA® CHLOROPHYLL AND SALICYLIC ACID SPOT TREATMENT

ACTIVE INGREDIENTS

SALICYLIC ACID 2.0%

PURPOSE

ACNE TREATMENT

Use

for the management of acne.

Penetrates pores to eliminate most acne blemishes.

Warnings

For external use only

When using this product

- Avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water.
- Do not use if you have very sensitive skin or are sensitive to Salicylic Acid.
- skin irritation and dryness may occur if you use another topical acne medication at the same time or immediately following. If irritation occurs, only use one topical acne medication at a time unless directed by a doctor.

Stop use and ask a doctor

If irritation becomes severe.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

On cleansed, completely dry skin, apply a thick, even layer directly on the blemish or blemished areas avoiding eye area, eyebrows, and hairline. Do not rub in. IN the morning or when product is dry to the touch, gently peel off starting from the outer edges of the spot. Rinse any residue with warm water.

SPOT
TREATMENT

GEL
ANTI-
IMPERFECTIONS

Ce traitement anti-imperfections d'action rapide et ciblée, contenant 2% d'acide salicylique, pénètre en profondeur pour dégager les impuretés et empêcher les éruptions cutanées. La chlorophylle aide à rendre le teint plus régulier et à estomper l'apparence des cicatrices d'acné pour une peau nette et saine.

Mode d'emploi: Sur une peau bien propre et sèche, appliquer le traitement en couche épaisse directement sur le bouton ou les zones à imperfections, en évitant le contour des yeux, les sourcils, et la racine des cheveux. Ne pas masser le gel. Au réveil, ou quand le gel est sec, décoller délicatement les bords. Rincer tout résidu à l'eau tiède. ☀️

Mise en garde: Pour usage externe seulement. Éviter le contact avec les yeux. En cas de contact, rincer soigneusement à l'eau. Ne pas utiliser sur une peau irritée, blessée, ou brûlée par le soleil. Si une irritation apparaît, cesser toute utilisation et consulter un médecin. Éviter tout contact avec les vêtements. En cas de contact, rincer immédiatement à l'eau tiède.
