- NOT FOR HUMAN USE

☐INDICATIONS

☐This topical liquid product, when used undiluted as a post milking teat dip, effectively aids in reducing the spread of organisms that cause mastitis.

☐DIRECTIONS FOR USE

☐**Post Dipping**☐: Immediately after milking, dip each teat with this sanitizing teat dip. Allow teats to air dry. If a common teat dip cup is used for application, a fresh solution should always be used at each milking. The teat dip cup should be emptied, cleaned and rinsed with potable water after each milking session or when cup becomes contaminated during milking. Do not pour remaining solution from dip cup back into original container.

STORAGE INSTRUCTIONS

Store this product in a cool, dry area away from direct sunlight and heat to avoid deterioration. Keep containers closed to prevent contamination of this product. If frozen, separation may occur. Thaw completely and mix thoroughly before use.
