**OTHER INGREDIENTS:** microcrystalline cellulose, croscarmellose sodium, pharmaceutical glaze, mono- and diglycerides, starch, calcium stearate.

**DESCRIPTION**

HYLAVITE Tablets is an orally administered prescription vitamin formulation for the clinical dietary management of suboptimal nutritional status in patients where advanced folate supplementation is required and nutritional supplementation in physiologically stressful conditions for maintenance of good health is needed.

HYLAVITE is a small, round, yellow, clear-coated tablet, with debossed "A" on one side.

**CONTRAINDICATIONS**

This product is contraindicated in patients with known hypersensitivity to any of the ingredients.

**PRECAUTIONS**

This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.

HYLAVITE Tablets should only be used under the direction and supervision of a licensed medical practitioner. Use with caution in patients that may have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications.

Folic acid supplementation may obscure pernicious anemia, in that hematologic remission can occur while neurological manifestations progress.

**KEEP OUT OF THE REACH OF CHILDREN.**

**Pregnancy and Lactation:**

HYLAVITE Tablets is not intended for use in pregnant or lactating patients

**ADVERSE REACTIONS**

Allergic sensitizations have been reported following oral administration of folic acid. Consult your physician immediately if adverse side effects occur.

## **DOSAGE AND ADMINISTRATION**

Usual adult dose is 1 tablet by mouth once or twice daily or as prescribed by a licensed medical practitioner.

## **HOW SUPPLIED HEALTH CLAIM:**

HYLAVITE Tablets are supplied as a small, round, yellow, clear-coated tablet, with debossed "A" on one side.
