Managing eczema prone skin in kids is a challenge that parents face day to day. Keeping your child's skin eczema free and managing flare-ups requires more than just an eczema cream - it requires a regimen of care.

FLEXITOL[®] HAPPY LITTLE BODIES[™] ECZEMA RELIEF CREAM

is formulated with effective and gentle ingredients to provide relief from skin irritation, itching, flaking and dryness. Flexitol Happy Little Bodies Eczema Relief Cream contains colloidal oatmeal, known to help relieve itching and scratchy rashes, minor skin irritations, redness and dry skin patches. Fortified with calendula officinalis to soothe and calm irritation and aloe vera to help nourish and moisturize dry, flaky skin.

Designed to temporarily protect and relieve symptoms associated with eczema, specifically for babies and young children, Flexitol Happy Little Bodies Eczema Relief Cream:

- Contains 5% colloidal oatmeal for relief of itching & dryness
- Calms & soothes irritated skin, rashes and flare-ups
- Is free from cortisone, artificial colors and fragrances, parabens, coal tar, pine tar and nut oils

For best results, use in conjunction with Flexitol Happy Little Bodies Body Wash & Shampoo, a soap-free alternative to harsh shampoos and soaps, to help prevent dryness.
