**WHY GREEN EARTH PET WIPES WITH HY-IQ® WATER?**

Pets, just like humans, are susceptible to bacteria, viruses and pests. Germs do not judge and they love our furry counterparts as much as they love us! Plus, some pests can turn into nasty chronic issues, such as open wounds (hot spots) or an ongoing battle with ear mites, fleas and ticks. Green Earth Pet Wipes with Hy-IQ® Water are safe and highly effective for use on all breeds of dogs, cats and other household pets!
