**VETERINARIAN FORMULATED
EAR CLEANER
FOR DOGS & CATS**

Tomlyn's Veterinarian Formulated Ear Cleaner is specially formulated to deodorize and gently clean, dry and acidify the external ear canal. This provides an environment which promotes maintenance of healthy ears, and aids in the prevention of external ear infections.

DIRECTIONS: Apply liberally into the ear canal. Massage the base of the ear. Allow pet to shake head. Wipe excess away with a cotton ball. For very dirty ears, apply 2-3 times daily for several days. Do not use longer than 7 consecutive days without consulting a veterinarian. For routine cleaning and maintenance of healthy ears, use 1-2 times weekly, or as often as recommended by your veterinarian. Always apply after swimming.

ACTIVE INGREDIENTS (w/v): SD-Alcohol 40-2, 10%; Lactic Acid, 1.76%; Benzoic Acid, 0.15%; Salicylic Acid, 0.1%.

INACTIVE INGREDIENTS: A fragrant base containing Aloe Vera Gel.

CAUTION: Consult your veterinarian if pet shakes head or scratches ears frequently. If redness or irritation develops or persists, discontinue use and consult your veterinarian. For topical use only. Avoid contact with eyes.

STORAGE: Store at room temperature between 15°C and 25°C.

100% SATISFACTION GUARANTEED!
