

HEALTHMART EARWAX REMOVAL KIT EAR WAX DROPS AND BULB- carbamide peroxide

McKesson Corp via Strategic Sourcing Services LLC

HealthMart Earwax Removal Kit, Ear wax drops & Bulb

Drug Facts

Active ingredient

Carbamide peroxide 6.5%

Purpose

Ear wax removal aid

Uses

for occasional use as an aid to soften, loosen, and remove excessive ear wax

Warnings

For use in the ear only

Ask a doctor before use if you have

• ear drainage or discharge • ear pain • irritation, or rash in the ear • dizziness • an injury or perforation (hole) of the ear drum • recently had ear surgery

When using this product

• avoid contact with the eyes

Stop use and ask a doctor if

• you need to use for more than 4 days • excessive ear wax remains after use of this product

Keep out of reach of children.

If swallowed get medical help or contact a Poison Control Center (800-222-1222) right away.

Directions

FOR USE IN THE EAR ONLY Adults and children over 12 years of age:

consult a doctor **Children under 12 years:**

• Tilt head sideways and place 5 to 10 drops into ear

- Tip of applicator should not enter ear canal
- Keep drops in ear for several minutes by keeping head tilted or placing cotton in the ear
- Use twice daily for up to 4 days if needed, or as directed by a doctor
- Any wax remaining after treatment may be removed by gently flushing the ear with warm water, using a soft rubber bulb ear syringe

Other information

- Avoid exposing bottle to excessive heat and direct sunlight
- Store bottle in the outer carton
- Keep cap on bottle when not in use
- Product foams on contact with ear wax due to release of oxygen. There may be an associated crackling sound
- Do not use if tamper-evident safety seal is broken or missing

Inactive ingredients

anhydrous citric acid, glycerin, propylene glycol, sodium citrate, sodium lauryl sulfate, water
