For lot number and expiration date, please see bottom of the box.

Rev.: 05/22 Code#: PRO144-31TUC

**DESCRIPTION:**

**OBTREX™ ONE** is a premium prenatal vitamin and mineral supplement with DHA taken

throughout pregnancy and during the postnatal periods for both lactating and non-lactating mothers. **OBTREX™ ONE** is also useful in improving nutritional status prior to conception. It is recommended that folate levels be high for at least one month prior to possible conception and continued at that level for the first three months of pregnancy.

**WARNING:** Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. **KEEP THIS PRODUCT OUT OF REACH OF CHILDREN.** In case of accidental overdose, call a doctor or poison control center immediately.

**DO NOT USE OBTREX™ ONE** if you have a known hypersensitivity to any of the ingredients within. This product is not intended for children under 12 years of age.

**WARNING:**

Ingestion of more than 3 grams per day of Omega-3 fatty acids, such as DHA (docosahexaenoic acid) has been shown to have potential anti-thrombotic effects, including increased bleeding times. Talk to your doctor if you are concerned about the effects of the DHA in **OBTREX™ ONE** especially if you are taking anticoagulants.

**CAUTION:**

This product contains 1.7mg DFE (1mg) folic acid, the maximum safe Reference Daily Intake (RDI) amount for this nutrient. Folic Acid alone should not be used for individuals with pernicious anemia and other megaloblastic anemias where Vitamin B12 is deficient. **Folic acid** in amounts **above 0.1 mg daily may obscure pernicious anemia** in that hematologic remission can occur while neurological manifestations remain progressive. Allergic sensitization has been reported following both oral and parenteral administration of **folic acid**.

**ADDITIONAL INFORMATION:**

Product contains FASTER Act of 2021 allergen: Soy. Product contains bio-engineered (BE) ingredient.

**ADVERSE REACTIONS:**

Allergic sensitization has been reported following both oral and parenteral administration of folic acid.

**DIRECTIONS FOR USE:**

Take One (1) Softgel Daily with or without food or as recommended by your healthcare provider.

**OTHER INFORMATION:**

Store at 20°-25°C (68°-77°F); excursions permitted to 15°-30°C (59°-86°F). Protect from extreme temperatures. Freezing & excessive heat may damage softgels.

Dietary Supplement

PREMIUM PRENATAL MULTI-VITAMIN WITH DHA

**with 100% Bioactive Folate**

**FINALLY, A PRENATAL YOU CAN STOMACH!**

PRODUCT BENEFITS

**L-Methylfolate** - (5-MTHF) a better form of folic acid

**Carbonyl Iron** - slow release, 98% pure, high bioavailability

**Plant based DHA** - no fishy 'burp backs'

**Vitamin B6** - to help relieve morning sickness and minimize fatigue

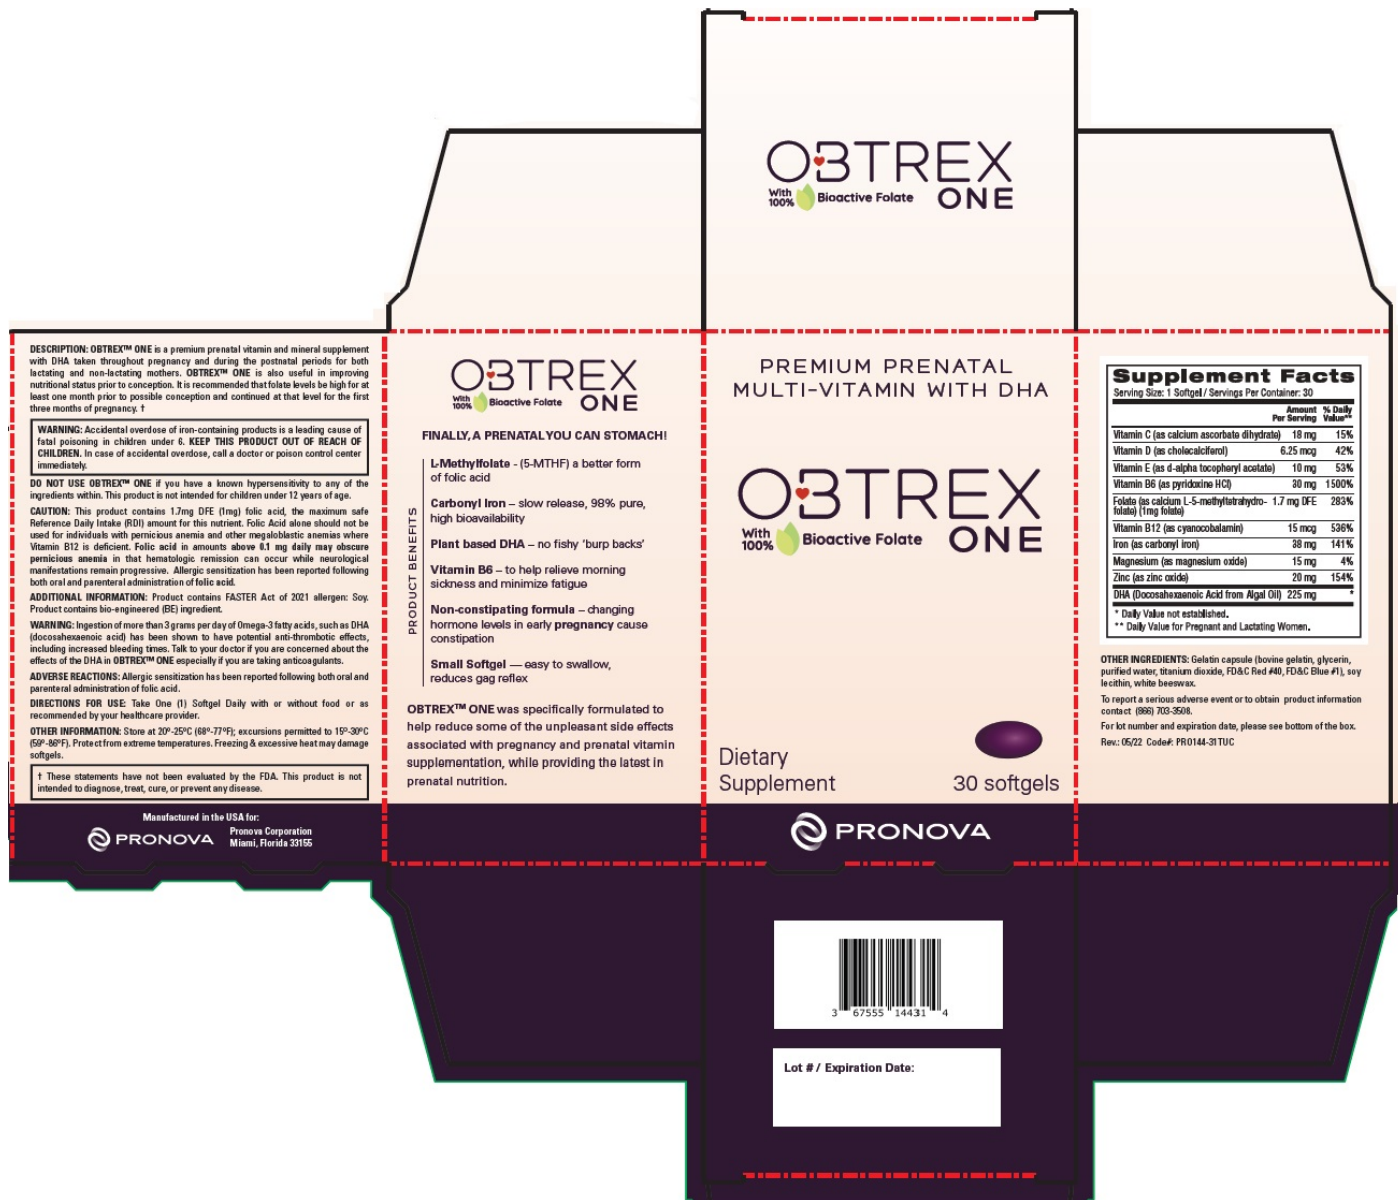

**Non-constipating formula** - changing hormone levels in early **pregnancy** cause constipation

**Small Softgel** — easy to swallow, reduces gag reflex

**OBTREX™ ONE** was specifically formulated to help reduce some of the unpleasant side effects associated with pregnancy and prenatal vitamin supplementation, while providing the latest in prenatal nutrition.

**Manufactured in the USA for:**  
**Pronova Corporation**  
**Miami, Florida 33155**

**Packaging**

## OBTRÉX ONE

calcium ascorbate dihydrate, cholecalciferol, d-alpha tocopheryl acetate, pyridoxine hydrochloride, calcium l-5-methyltetrahydrofolate, cyanocobalamin, carbonyl iron, magnesium oxide, zinc oxide, docosahexaenoic acid capsule, gelatin coated
