Supplement Facts

Serving Size: 1 Tablet

Amount per Tablet	% Daily Value
Iron (as dried ferrous sulfate) 65mg	361%

Active Ingredient (in each tablet) Purpose

Ferrous Sulfate Dietary Supplement

Warning:

Since oral iron products interfere with absorption of oral tetracycline antibiotics, these products should not be taken within two hours of each other. Iron-containing products may cause constipation or diarrhea. As with any dietary supplement, if you are pregnant or nursing a baby, seek advice of a health professional before using this product.

Warning: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Directions

Adults and Children 12 years of age and over:

1 tablet daily, preferably after a meal, or as directed by a physician.
