BODY LOTION

Moisturizing Body Lotion

The Moisturizing Body Lotion is premium body emulsion which keeps the skin soft and smooth by forming a moisturizing film with MAYU(horse fat) and fermented Camellia japonica seed oil and slowly supplying Hyaluronic Acid(HA) and amino-moisturizing ingredients to the skin through its multilayer emulsion structure. In addition, the unique emulsifying particles protect the skin from environmental pollutants by forming a skin barrier and keep it healthy and supple.

300ml
