For protection from mosquito bites and flies

Uses¹

For temporary protection from mosquito bites and flies.

¹ This product has not been evaluated by the US Environmental Protection Agency. Ona Stick represents that this product qualifies for exception from registration under FIFRA Section 25(b).

Precautionary statements

Caution Keep out of reach of children. For external use only.

Do not use if you are allergic to any of the active ingredients or inactive ingredients in this product. Avoid use if you have existing skin sensitivities.

When using this product

Avoid contact with eyes and mouth.

Do not use on wounds or irritated or damaged skin. Use only as directed.

First aid

If in eyes, rinse with water for several minutes.

If skin irritation occurs: wash with plenty of water.

If irritation persists, call a doctor.

If swallowed, get medical help or contact a poison control center right away.

Directions for use

Apply a thin layer to areas of exposed skin, massaging onto skin. Repeat as needed. Supervise children in the use of this product.

Storage and disposal

Keep cap firmly in place between uses. Store at room temperature in a dry place, inaccessible to children and pets. Retain this tip card for full product information. Discard empty canister in household trash.

Inactive Ingredients

Bees wax, lanolin, Vitamin E.
