

CVS HEALTH AGE DEFENSE SPF 70 FACE- avobenzone, homosalate, octisalate, octocrylene, oxybenzone lotion
CVS Pharmacy

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

CVS Health Age Defense SPF 70 Face Lotion

Active ingredients

Avobenzone 3.0%, Homosalate 10.0%, Octisalate 3.0%, Octocrylene 7.0%, Oxybenzone 6.0%

Purpose

Sunscreen

Uses

- helps prevent sunburn
- if used as directed with other sun protection measures (see **Directions**), decreases the risk of skin cancer and early skin aging caused by the sun

Warnings

For external use only

Do not use

on damaged or broken skin

When using this product

keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor

if rash occurs.

Keep out of reach of children.

If product is swallowed, get medical help or contact a Poison Control Center right away.

Directions

- apply liberally 15 minutes before sun exposure
- reapply:
 - after 80 minutes of swimming or sweating
 - immediately after towel drying
 - at least every 2 hours
- **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including:
 - limit time in the sun, especially from 10 a.m. - 2 p.m.
 - wear long-sleeved shirts, pants, hats, and sunglasses
 - children under 6 months: Ask a doctor

Inactive ingredients

water, styrene/acrylates copolymer, polysilicone-15, silica, beeswax, caprylyl methicone, cetyl dimethicone, dimethicone, ethylhexylglycerin, tocopheryl acetate, ascorbic acid, camellia sinensis leaf extract, retinyl palmitate, dipotassium glycyrrhizate, BHT, bisabolol, glyceryl stearate, PEG-100 stearate, sodium polyacrylate, acrylates/C12-22 alkyl methacrylate copolymer, ethylhexyl stearate, xanthan gum, trideceth-6, trimethylsiloxysilicate, disodium EDTA, methylisothiazolinone

Other information

- protect the product in this container from excessive heat and direct sun
- may stain or damage some fabrics, materials or surfaces

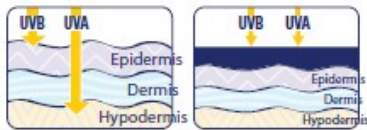

Label

CVS Health™ Age Defense Face Lotion SPF 70 helps protect your face from the sun in two ways:

1. This oil-free formula helps screen out burning UVB rays.
2. This balanced complex with antioxidants helps prevent UVA rays from penetrating beneath the surface layers of the skin and causing damage on the cellular level. Antioxidants fight free radicals that can cause those signs of aging: fine lines, wrinkles, and uneven skin tone. This light formula absorbs quickly without leaving your skin feeling greasy. Gentle enough for sensitive skin and perfect for use under makeup.

UVA rays penetrate the skin deeply to damage collagen and elastin, which are responsible for elasticity, tone and texture. When this damage occurs, the signs of premature aging result in wrinkles, fine lines, sagging skin, age spots and uneven skin tone. UVB rays damage the skin's surface and primarily cause sunburn.

Water-resistant formula provides protection in and out of the water for up to 80 minutes.

- Water resistant (80 minutes)
- Oil free
- Won't clog pores
- Non-greasy feel
- Fragrance free
- PABA free
- Gentle enough for sensitive skin

Sun Safety Tips:

- Shield yourself from the sun during the day when the sun's rays are strongest: between 10 am and 4 pm.
- Wear clothing to protect skin from direct exposure to the sun.
- Wear a hat with a wide brim to protect the neck, ears, nose, forehead & scalp.
- For the best eye protection, wear sunglasses that block 99-100% of UVA/UVB rays.
- Reapply sunscreen often, especially after towel drying or swimming.
