Ivy-Dry Super Pump Spray

Active Ingredients

Benzyl Alcohol 10%

Camphor 0.5%

Menthol 0.25%

Purpose

External Analgesic

Uses

- for the temporary relief of itching associated with insect bites and minor skin irritations

For external use only.

Do not use

- on face or genital areas
- on areas of blistered or broken skin
- with a compress after application

When using this product

- do not get into eyes
- if contact occurs, flush eyes with water

Stop use and ask a doctor if

- condition worsens
- symptoms last more than 7 days or clear up and occur again within a few days.

If pregnant or breast-feeding,

ask a doctor before use.

Keep out of reach of children.

If swallowed, get medical help or contact Poison Control Center right away.

Directions

- Apply to affected area not more than 3 times daily.
- Children under 6 years of age: do not use, ask a doctor.
- Severe reactions to Urushiol (the chemical released by the plant, which causes the irritation) can

look like chemical burns and have a thick leathery appearance. Additional applications may be necessary.

- Test product on small patch of skin before applying to the entire body.
