Rite aid- Daylogic oil-free acne cleansing wipes NDC 11822-1001

Active ingredient

Salicylic acid 2%

Purpose

Acne treatment

Uses

- Treats acne.
- Dries up acne pimples.
- Help keep skin clear of new acne blemishes, acne pimples, blackheads or whiteheads.

Warnings

For external use only.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

When using this product

- skin irritaion and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid contact with the eyes. If product gets into eyes, rinse thoroughly with water.

Directions

- Open resealable label to access wipe; reseal label tightly to retain moisture. Thoroughly wipe face with cleansing cloth to deep clean and refresh skin. After use, dispose of wipe in a trash receptable.
Do not flush.
- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
