Purpose:

Upper respiratory allergy symptom relief

Uses

Relieves symptoms of hay fever and other upper respiratory allergies such as:

sneezing runny nose itchy, watery eyes nasal congestion sinus pressure

Warnings

For nasal use only.

Ask a doctor before use if you have

ear nose or throat sensitivity

susceptibility to nose bleeds

When using this product

Avoid contact with eyes. In case of accidental contact with eyes, flush with water and immediately seek professional help.

The use of this container by more than one person may spread infection.

Stop use and ask a doctor if symptoms persist

If pregnant or breast feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

For best results, use at the first sign of allergy symptoms and continue to use for an additional 48 hours after symptoms subside.

Adults and children 6 years of age and older (with adult supervision):

Remove cap and safety clip (also see illustration on side carton and insert)

Hold with thumb at bottom of bottle and nozzle between your fingers. Before using the first time, prime pump by depressing several times.

Place tip of nozzle just past nasal opening (approximately 1/8")

While inside nasal opening, slightly angle nozzle outward.

Pump one to two times into each nostril

After application, press lightly on outside of each nostril for about 5 seconds.

Wait at least 30 seconds before blowing nose

Use once every 4 hours

Children under 6 years of age: Consult a doctor before use.

Inactive Ingredients

Benzalkonium chloride, glycerin, hydroxyethylcellulose, potassium phosphate monobasic, sodium chloride, sodium phosphate dibasic, water
