

PREPARATION H RAPID RELIEF- glycerin, lidocaine, phenylephrine hydrochloride cloth
Haleon US Holdings LLC

Drug Facts

Active ingredients	Purposes
Glycerin 20%	Protectant
Lidocaine 5%	Local anesthetic
Phenylephrine HCl 0.25%	Vasoconstrictor

Uses

- for temporary relief of pain, soreness and burning
- helps relieve the local itching and discomfort associated with hemorrhoids
- temporarily reduces the swelling associated with irritated hemorrhoidal tissue
- temporarily provides a coating for relief of anorectal discomforts
- temporarily protects the inflamed, irritated anorectal surface to help make bowel movements less painful

Warnings

For external use only

Ask a doctor before use if you have

- heart disease
- high blood pressure
- thyroid disease
- diabetes
- difficulty in urination due to enlargement of the prostate gland

Ask a doctor or pharmacist before use if you are presently taking a prescription drug for high blood pressure or depression.

When using this product

- wash hands after use. Avoid contact with eyes
- do not exceed the recommended daily dosage unless directed by a doctor
- do not put this product into the rectum by using fingers or any mechanical device or applicator

Stop use and ask a doctor if

- bleeding occurs
- condition worsens or does not improve within 7 days
- an allergic reaction develops
- the symptom being treated does not subside or if redness, irritation, swelling, pain, or other symptoms develop or increase

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults: when practical, cleanse the affected area with mild soap and warm water and rinse thoroughly. Gently dry by patting or blotting with a tissue or soft cloth before applying wipe.
- apply externally to affected area up to 4 times daily.
- unfold wipe and gently apply to the affected area by patting and then discard.
- children under 12 years of age: ask a doctor

Other information

- store at 20-25°C (68-77°F)
- for best results, flush only one at a time

Inactive ingredients

aloe barbadensis leaf juice, anhydrous citric acid, benzyl alcohol, edetate disodium, propylene glycol, purified water, sodium benzoate
