

**ECLIPSE SPF 50 ALL SHADES- titanium dioxide, zinc oxide lotion
SCIENCE OF SKINCARE LLC**

Eclipse SPF 50 Non Tinted

Active Ingredients

TITANIUM DIOXIDE – 5.20%

Zinc Oxide – 1.10%

PURPOSE

SUNSCREEN

USES

- Helps hydrate and prevent sunburn.
- If used as directed with other sun protection measures (see Directions), decreases the risk of skin cancer and early skin aging caused by the sun

WARNINGS

- For external use only
- Do not use on damaged or broken skin
- When using this product keep out of eyes. Rinse with water to remove
- Stop use and ask a doctor if rash occurs
- Keep out of reach of children. If product is swallowed, get medical help or contact a Poison Control Center right away.

DIRECTIONS

- APPLY LIBERALLY 15 MINUTES BEFORE SUN EXPOSURE.
- REAPPLY:
 - AFTER 40 MINUTES OF SWIMMING OR SWEATING
 - IMMEDIATELY AFTER TOWEL DRYING
 - AT LEAST EVERY 2 HOURS
- Sun Protection Measures. Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a broad spectrum SPF of 15 or higher and other sun protection measures including:
 - o limit time in the sun, especially from 10 a.m.-2 p.m.
 - o wear long-sleeve shirts, pants, hats, and sunglasses
- Children under 6 months: Ask a doctor

Other Information

Sun alert: Limiting sun exposure, wearing protective clothing, and using sunscreens may reduce the risk of skin cancer, and other harmful effects of the sun.

COSMECEUTICALS

INNOVATIVE SKINCARE

ECLIPSE SPF 50+

ULTRA SHEER | BROAD SPECTRUM | SPF 50+

Formulated specifically for daily use and extended outdoor activities, ECLIPSE SPF 50+ is a unique fusion of scientifically advanced physical sunscreens - transparent Titanium Dioxide and micronized Zinc Oxide - coupled with pure vitamin E. This antioxidant-rich blend provides superior water-resistant broad spectrum UVA/UVB protection. ECLIPSE SPF 50+ is an ultra sheer, lightweight formula that absorbs quickly for a non-greasy matte finish.

ULTRA SHEER | À LARGE SPECTRE | FPS 50+

Spécifiquement formulée pour une utilisation quotidienne et des activités extérieures prolongées, ECLIPSE SPF 50+ est une fusion unique d'écrans solaires physiques scientifiquement perfectionnés - dioxyde de titane transparent et oxyde de zinc micronisé associés à de la vitamine E pure. Ce mélange riche en antioxydants offre une protection à large spectre supérieure et résistante à l'eau contre les rayons UVA/UVB. ECLIPSE SPF 50+ est une formule légère ultra transparente qui est absorbée rapidement pour un fini mat non gras.

UTILISATION

Aide à prévenir les coups de soleil. Si le produit est utilisé conformément aux instructions avec d'autres mesures de protection solaire (voir Mode d'emploi), il réduit le risque que le soleil cause un cancer de la peau ou un vieillissement précoce de la peau.

AVERTISSEMENT

Réservez à un usage externe. Ne pas utiliser ce produit sur une peau endommagée ni sur une plaie. Faites attention que le produit n'entre pas en contact avec les yeux. En cas de contact, rincer sous l'eau. En cas d'irritation, cessez l'utilisation du produit et consultez un médecin. Garder hors de la portée des enfants. Si le produit est ingéré, contactez immédiatement un médecin ou un centre antipoison.

RECOMMANDATIONS D'UTILISATION

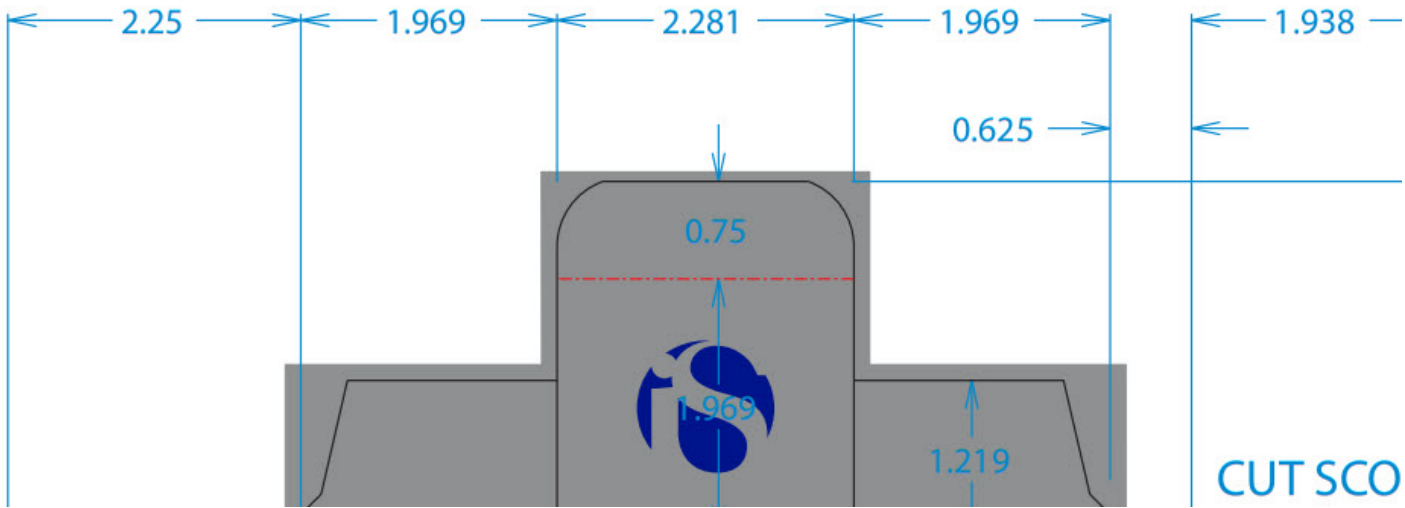

Appliquez généreusement 15 minutes avant l'exposition au soleil. Réappliquez. Après 40 minutes d'exposition à l'eau ou de transpiration abondante, immédiatement après sous séchage. Au moins toutes les deux heures. Mélanges de protection solaire. Une exposition prolongée au soleil augmente le risque de vieillissement prématuré de la peau et de cancer de la peau. Pour réduire ce risque, il est recommandé d'utiliser un écran solaire avec un facteur de protection (SPF) de 15 ou plus et d'utiliser d'autres mesures de protection contre le soleil, notamment: Éviter de rester longtemps au soleil, particulièrement entre 10h00 et 14h00. Porter des vêtements à manches longues et couvrant les jambes, ainsi qu'un chapeau et des lunettes de soleil enfants de moins de 6 ans. Consulter un médecin.

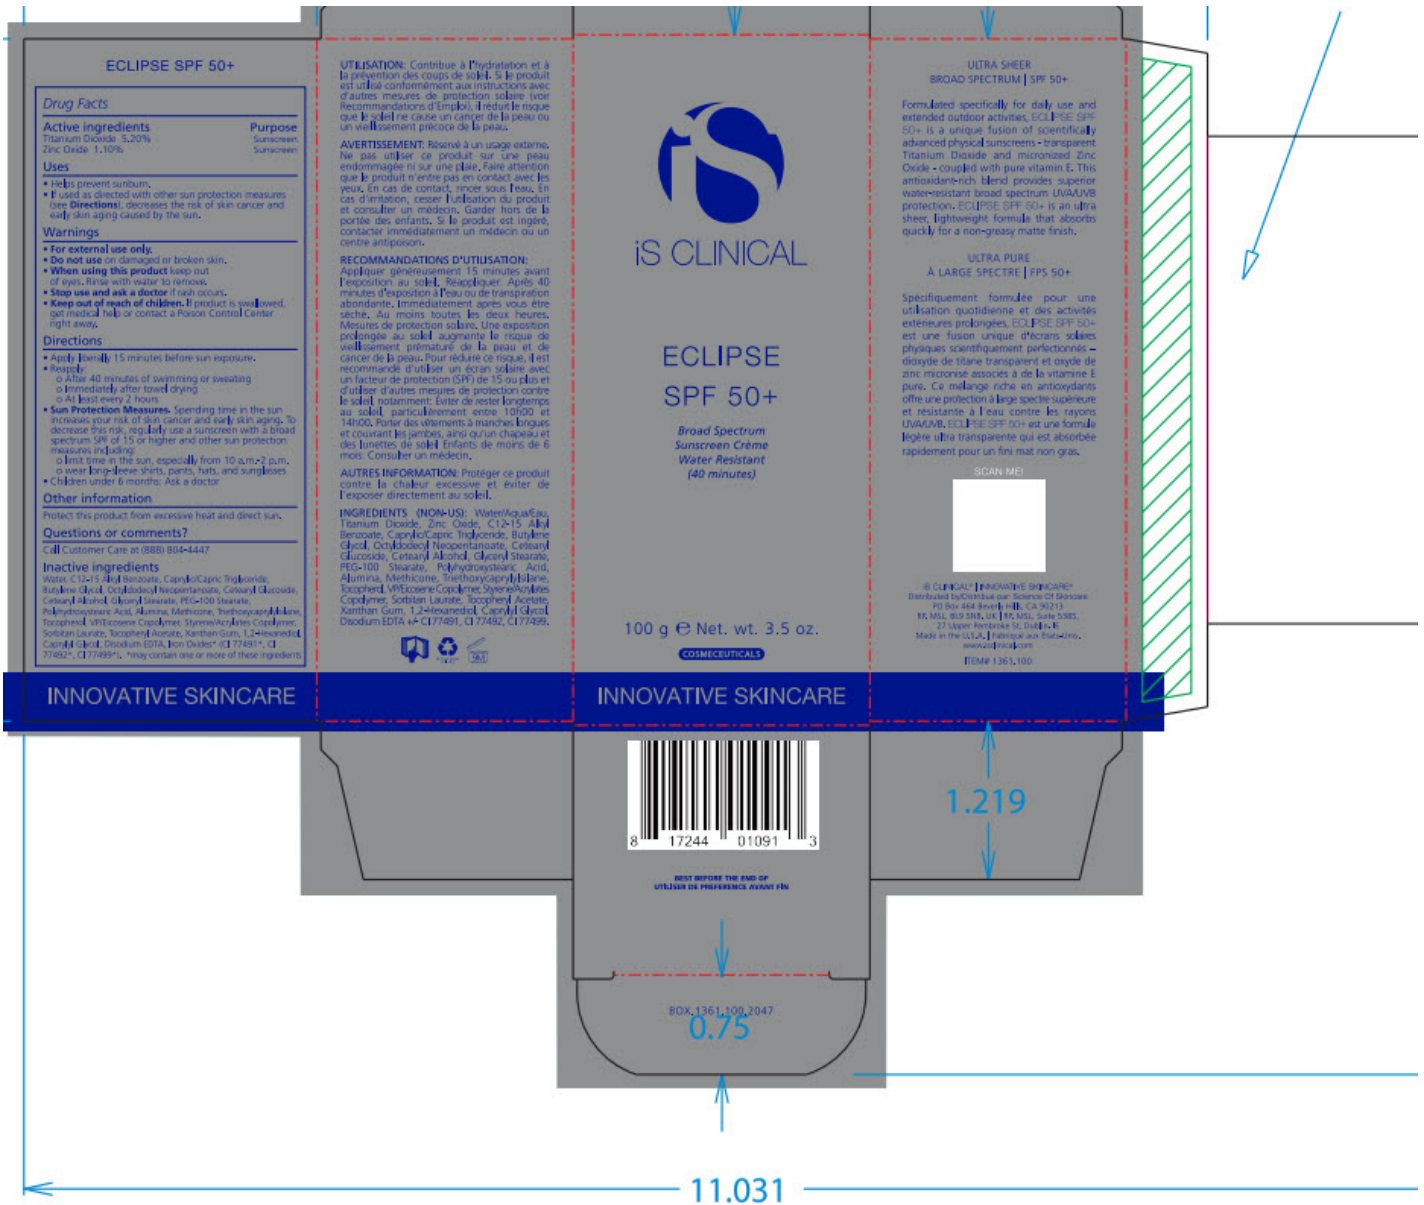

PLUS D'INFORMATION

Protéger ce produit contre la chaleur excessive et éviter de l'exposer directement au soleil.
