

LAXATIVE MAXIMUM STRENGTH- sennosides tablet EQUALINE (SuperValu)

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active ingredient (in each tablet)

Sennosides USP, 25 mg

Purpose

Stimulant laxative

Uses

- relieves occasional constipation (irregularity)
- generally produces bowel movement in 6 to 12 hours

Warnings

Do not use

laxative products when abdominal pain, nausea, or vomiting are present unless directed by a doctor.

Ask a doctor before use if you have

- noticed a sudden change in bowel habits that persists over a period of 2 weeks

Ask a doctor or pharmacist before use if you

- are taking any other drug. Laxatives may affect how other drugs work. Take this product 2 or more hours before or after other drugs.

When using this product

- do not use for a period longer than 1 week

Stop use and ask a doctor if

- rectal bleeding or failure to have a bowel movement occur after use of a laxative

These may be signs of a serious condition.

If pregnant or breast feeding,

ask a health professional before use.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

- swallow tablet(s) with a glass of water
- swallow tablet(s) whole, do not crush, break, or chew

adults and children 12 years of age and older	take 2 tablets once or twice daily
children 6 to under 12 years of age	take 1 tablet once or twice daily
children under 6 years of age	ask a doctor
