Drug Facts

Active Ingredient (in each 15g) Purpose
Psyllium Hydrophilic Mucilloid 6g.....Bulk-Forming Laxative

Uses

- for relief of occasional constipation (irregularity)
- generally produces bowel movement in 12-72 hours

Warnings

Allergy alert: This product may cause an allergic reaction in people sensitive to ingested or inhaled psyllium.

Choking: Taking this product without adequate fluid may cause it to swell and block your throat or esophagus and may cause choking. Do not take this product if you have difficulty swallowing. If you experience chest pain, vomiting, or difficulty swallowing or breathing after taking this product, seek immediate medical attention.

When using this product

- do not exceed the maximum recommended daily dosage in a 24-hour period
- you may experience changes in bowel habits or minor bloating as your body adjusts to increased fiber intake
- the recommended starting dosage is half a tablespoon; gradually increase intake to a tablespoon as your body adjusts
- bulk laxatives are best taken 2 hours before or after medications for maximum effectiveness

Do not

- use this product when nausea, abdominal pain, or vomiting are present

Keep out of reach of children. In case of overdose, seek medical help or contact a Poison Control Center right away.

Dietary Fiber Supplement

Uses Diets low in saturated fat and cholesterol that include 7 grams of soluble fiber per day from psyllium may reduce the risk of Coronary Heart Disease (CHD). Use of psyllium fiber may help in the prevention of colon cancer and stroke and additionally assists in the reduction of cholesterol, blood sugar, and weight.
